

PANKAJ JANGID

Assistant Manager-Graphic Designer

I began honing my creative skills in 2014, though my passion for art and design started much earlier during my school years. With over 11 years of experience in the industry, I've worked as a Creative Visualization professional on branding, typography, and graphic design projects for top-tier companies. I bring a positive outlook, a strong drive to achieve my goals, and a deep-rooted passion for drawing, multimedia, and design areas I continuously strive to master. I also enjoy participating in design contests and thrive on challenging, creative projects.
